Date (from – to)	Oct. 2023 on going
Name and address of the employer	Ministry of Foreign Affairs and International Cooperation (MAECI)
Type of business or sector	Public administration
employment	Expert Attaché ex art. 168 of Presidential Decree 18/1967 in the agricultural phytosanitary sector at the Italian Embassy in Hanoi

**Main tasks and responsibilities**

Insight and analysis of Vietnam's agricultural system and its territorial articulations;  
Reconnaissance and monitoring of local institutions' and private sector's initiatives in the agricultural/health sector;  
Reconnaissance and monitoring of local agribusiness, customs and nutrition labeling regulations;  
Linking with local authorities in order to overcome market access difficulties due to phytosanitary and technical barriers of various kinds;  
Negotiating activities with local authorities for the development of procedures for the export of animal and plant products, as well as on phytosanitary or other technical certificates, including assistance and coordination in carrying out missions and inspection visits to Italian establishments;  
Linking with Italian and local administrations responsible for handling cases of customs detention of agri-food products, or other products otherwise covered by phytosanitary or other technical regulations, also in collaboration with the Finance Guard Attaché, where present;  
Coordination with the heads and offices of the Embassies of EU and non-EU countries in charge of the agri-food sector and with the EU Delegation, including for the implementation of the EU-Vietnam Free Trade Agreement in aspects related to non-tariff barriers of agri-food products, Geographical Indications and "pre-listing" of establishments authorized to export to Vietnam; including for the implementation of the EU-Vietnam Investment Protection Agreement;  
Recognition of business opportunities for Italian companies and promotion of bilateral trade in agri-food products, including by encouraging the participation of Italian companies in the main trade fairs and local events in the sector, in conjunction with the ICE Office;  
Defense of the interests of Italian companies in the agribusiness sector, particularly with regard to combating counterfeiting and the use of names, geographical references, images and trademarks that evoke Italy to deceptively promote non-Italian products (so-called "Italian Sounding");  
Participation in the organization of promotional initiatives in the agri-food sector, in liaison with the diplomatic-consular network, the ICE Office and other actors of the Italian system in the country;  
Development of bilateral collaborations functional to the achievement of multilateral food security objectives;  
Participation in meetings, seminars, conferences and workshops pertinent to its field of activity making subsequent reports to the Ambassador;  
Reconnaissance and information on research, development and innovation in

	<p>the field of food production, with particular attention to scientific and technological aspects, also in order to stimulate contacts between research bodies, institutes of higher scientific education, the Italian academic world and the competent Administrations and Bodies of the country, in collaboration with the Scientific Attaché, where present;</p> <p>Contribution to the implementation of communication and promotion campaigns of Italian food excellence and the Mediterranean diet;</p> <p>Participation and assistance to Italian delegations visiting the country with relevance to the agri-food sector or for purposes related to issues of quality standards of labeling, packaging, preservation and transportation of Vietnamese agri-food exports to Italy;</p> <p>In agreement with international bodies in Vietnam active in the agricultural and health sectors, particularly FAO and IFAD, and with the AICS office in Hanoi for development cooperation aspects.</p>
